INSTRUCTIONS TO FACILITY: Column 2, Date Corrected is to be completed by the facility representative after each deficiency is corrected. The facility representative must put the date of correction and his/her initials in Column 2. This form must be returned to the Department of Human Resources on or before 10/15/25, as verification that deficiencies have been corrected.

NOTICE: Any misleading or any false statements or reports made to the Department and/or failure to correct the listed deficiencies can be the basis for adverse action. None of these requirements are to be interpreted to allow anyone to operate in violation of Health & Safety Guidelines. A facility approved by the Department must meet Health & Safety Guidelines applicable to that facility at all times. It is the responsibility of the facility to operate in compliance with the Health & Safety Guidelines
