NOTES

A licensed physician or qualified employee of the Alabama Dept of Public Health is responsible for the content of this certificate. All dates must include the month, day, and year. In cases of history of disease or laboratory confirmation, the month and year of infection or test must be filled in the appropriate box(es).

The certificate is NOT valid without the name and birth date of the child, date of expiration, name and address of the physician or health department, and date of issue. A school or facility official is responsible for keeping a current valid Certificate on file for each child in attendance. **When a child leaves or transfers to another facility, the Certificate of Immunization should be given to a parent/guardian.**
