|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| <b>Deficiency Summary</b>                                                                                                                                                        |                                             |
| Failed - Floors, bathrooms fixtures cleaned/disinfected, Inspection Form<br>Comments: There is what looks like urine around the bottom back of the toilet in the boy's bathroom. | Pending Correction                          |
| Failed - Immunization Certificate, Child Checklist<br>Comments: not in file                                                                                                      | Pending Correction                          |
| Failed - Preadmission Form, Child Checklist<br>Comments: Needs city on addresses.                                                                                                | Pending Correction                          |
| In the 18-to -24 month the light switch face plate in the farthest room is pulling away from the wall., Ad Hoc<br>Comments: NA                                                   | Pending Correction                          |
| In the 18-to-24-month room there is a ceiling tile falling down., Ad Hoc<br>Comments: NA                                                                                         | Pending Correction                          |
| In the preschool room the air return vent is dirty and loose from the wall., Ad Hoc<br>Comments: NA                                                                              | Pending Correction                          |

On the preschool playground there is a root sticking up under one of the swing seats. Ad Hoc  
Comments: NA

The top step on the porch leading to the playground is broken. Ad Hoc  
Comments: NA

The screen on the window beside the steps leading to the playground is torn in several places with sharp edges. Ad Hoc  
Comments: NA

**INSTRUCTIONS TO LICENSEE:** Column 2, Date Corrected by Licensee, is to be completed by the facility representative after each deficiency is corrected. The facility representative must put the date of correction and his/her initials in Column 2. This form must be returned to the Department of Human Resources on or before 05/15/2026, as verification that deficiencies have been corrected.

**NOTICE:** Any misleading or any false statements or reports made to the Department and/or failure to correct the listed deficiencies can be the basis for adverse action. None of these requirements are to be interpreted to allow anyone to operate in violation of Performance Standards. A facility licensed by the Department must always meet Performance Standards applicable to that facility. It is the responsibility of the licensee to operate in compliance with Performance Standards.
