Deficiency Plan of Correction	Date to be completed
<p>On May 19, 2026, a two-year-old child was left unsupervised on the playground for an undetermined amount of time. , Ad Hoc Plan of Action - The teachers pick up a clipboard and class list form every morning. They add the children on the list as they arrive. They carry the clipboards with them. If another teacher takes over, then they take the clipboard. The clipboard stays with the children. If they go to the playground, then the list is checked as the children are coming inside. As children are picked up, the parent signs their initials by their child's name. The clipboards and lists are turned in when the children have all been signed out. Parents have been asked to sign the clipboard before leaving with their child. The classes will come inside from the playground one class at a time. They will give the class before them several minutes to get inside. The playgrounds will be continuously checked for unsupervised children on cameras in the offices.</p>	6/2/2026
